Black, Guy	0	Lisi, John	0		
Lisi, John	0	Mack, Josh	0	Course Handicaps are calculated per the equation below using the Tee Box Slope Ratings and Course Rating (CR) Difference shown. The Slope Ratings and CR Difference are subject to change as courses update their information. Course Handicap¹ = Current Index x $\frac{\text{Tee Box Slope Rating}}{113}$ - Course Rating (CR) Difference² 1: Rounded to nearest whole number 2: CR Difference = Regular Tee CR - Senior Tee CR. Subtract (CR) Difference for Senior Tee Course Handicap only.

* Unofficial, see Treasurer or Treasurer's Report for official paid status.

** Course Handicaps are subject to change as changes to the course slope or course rating are discovered or teebox selections change.

In 2020 the USGA implemented the World Handicap System (WHS) for determining and maintaining golfer's handicaps. The Hankey Farms Golf League (HFGL) is reviewing the changes but has no immediate plans for implementing all or parts of WHS. Calculation of handicap remains as stated in the 2020 Handicap Calculation document, which is available on the website.
